

**Short Specification:**

Louvers International's Snap-In Reveal Diffusers offer a cost-effective replacement for your broken and discolored OEM diffuser. We stock several of the most common sizes or our fabrication department can create to your specifications as a custom product. We can handle large or small quantity orders. Available in textured white or clear prismatic. For more information, please contact your Louvers sales representative today.

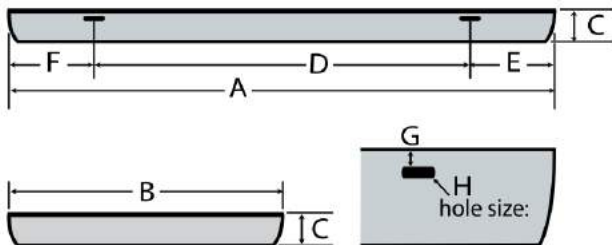

**Ordering Information:**

PART #	DESCRIPTION
LI-SRD	Custom Size - White
LI-SRD	Custom Size - Clear Prismatic

**ORDERING PROCEDURE:** Remove your old diffuser and record the following information. Then, call Louvers International to place your order.

- A Overall Length - Measure from end to end along the long edge.
- B Overall Width - Measure from side to side along the short edge.
- C Overall Depth
- D Distance Between Holes/Slots - Measure the "center to center" distance between the mounting holes.
- E Distance of Hole/Slot Center to Right End
- F Distance of Hole/Slot Center to Left End
- G Distance of Hole/Slot Edge From Open Side of Diffuser
- H Hole Size - Measure the height and length of the hole/slot.

**WRITE YOUR DIMENSIONS HERE BEFORE ORDERING.**
