- Clear, large PETG window offers excellent light transmission and minimal to no distortion
- No risk of breakage from falling

SIZES:

- Small**
20"×20"×14"
- Large**
23"×24"×16"

PART #:

- SDS-CDTB-S
- SDS-CDTB-L

Louvers International's corrugated plastic **School Desk Barrier** is constructed completely from plastic; the entire surface can be easily sanitized over-and-over for ongoing use. Our School Desk Barrier is also light weight, weighing around 1 lb., making it easy for students to carry their barrier around from classroom-to-classroom.

For school and educational environments
